Fresh Box™ China Series

A sturdy, food-safe reusable plastic container (RPC) suitable for all fresh fruit and vegetables. Tough and durable, it significantly reduces product damage during transport and storage compared with single-use packaging. It’s also ideal for point-of-sale (POS) display. Available in nine sizes.

**Usability**

Optimised for fresh fruit and vegetables

**Efficient handling**

Fast manual or automated unfolding

Easy stacking with minimum effort

Ergonomic design for easier handling at standard and maximum loaded weights

Extremely space-efficient: only 36 mm high when folded

**Protects your produce**

Sturdy construction and secure stacking protect fresh food

Maintains maximum product freshness and quality throughout the supply chain

High-quality RPCs ensured by inspection process after every return

**Ideal for in-store display**

Shoppers prefer IFCO RPCs to single-use packaging for display

Quick and easy to replace in fresh produce department, saving time and money

Spotless, clean appearance with IFCO state-of-the-art SmartCycle™ cleaning and drying after each use

**Standardised for maximum convenience**

Compatible with all other IFCO RPCs

Compatible with all standard pallets

Optional graphics and labels for branding available

Pooled and serviced through IFCO’s network of service centres

**Helps you operate more sustainably**

Reusable over many years, eliminating waste

After useful life, material is recycled into new RPCs

Reduces waste, pollution and use of natural resources
