

IFCO SYSTEMS US, LLC
3030 N Rocky Point Dr.
Suite 300
Tampa, FL 33607 | USA

Dear IFCO RPC Valued Customer,

IFCO Systems is committed to ensuring the safe transport of food products in our Reusable Packaging Containers (RPC) and meeting all relevant food labeling requirements. In a collaborative effort with the industry, IFCO has developed a list of compliant labels authorized for use on our RPCs. Our RPCs are manufactured with label placement surfaces on **end** display panels. Placement of compliant labels on these surfaces will provide proper adherence to the surface while the RPC is in use and will allow for more effective removal during our wash process.

We would like to remind you that approved label compliance and placement is **mandatory** and is included in our Master Rental Agreement C.6. This will be enforced moving forward.

Lessee shall adhere to the Approved Label Placement and General Label Guidelines in the IFCO Implementation Guide. If Lessee violates the Approved Label Placement and General Label Guidelines in the IFCO Implementation Guide, IFCO reserves the right to charge Lessee \$0.50 per RPC for all RPCs shipped to Lessee during the 3 months prior to discovery of the violation by IFCO. The Parties agree that any damages from Lessee's breach of this provision would be difficult to determine and that the remedy set forth herein is a reasonable estimate of such damages and is not a penalty.

The current approved adhesive labels are provided in the *IFCO Label & Adhesive Specification Document* at www.ifco.com (Service & Products - Labeling). The use of any label on our RPCs other than these approved labels will make the RPC unserviceable and will result in enforcement action.

To ensure compliance to the approved label list, you have been selected to submit a sample of your current labels that are applied to RPCs. See below for items that need to be submitted within **15 days**.

- 20 labels from current stock (can be printed or not printed with your standard PTI info)
- Copy of latest PO showing:
 - Label company name purchased from
 - Specific label name purchased
- Also, if available a specification sheet of the label listed on the PO

IFCO SYSTEMS

Tampa, FL 33607

Compliant labels can be obtained through any of the authorized label providers found at www.IFCO.com or by purchasing one of the labels found in the *IFCO Label & Adhesive Specification Document*.

If you have any further questions, please contact your account manager or email IFCOLabels@ifco.com.

With Kind Regards

Rick Overholt
